NAXOS

HANDMADE

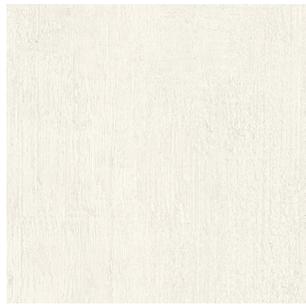

Handmade is a wall tile that evokes the full charm of craft ceramics. Its softly structured surface and neutral tones create a warm and welcoming environment. The Hole version has a netting of small, irregular indentations with an accent of color that adds to the craft feel. The Synergy (available in the Yosemite color only) is a mixture of four elegant and vintage patterns that create a sculptural effect.

Colors are intended as a guide only and may vary from actual tile. Sizes listed are nominal. Please check samples before making final selection and to get actual dimensions for layout. See reverse side for additional product information.

Field (NSHE--/1313)

MADE IN ITALY

Seward (NSHESD)

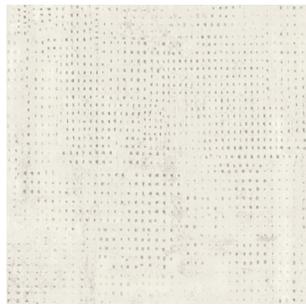

Namib (NSHENB)

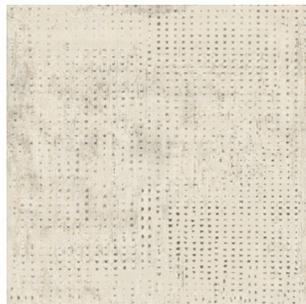

Yosemite (NSHEYE)

Decorative Structures

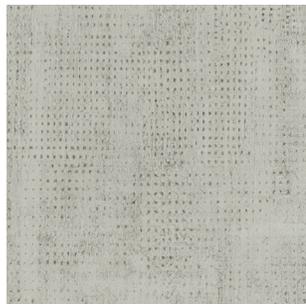

13 x 13 Hole

(NSHESD/1313H)

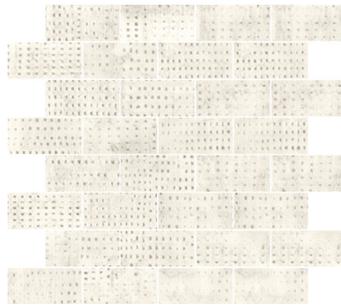

(NSHENB/1313H)

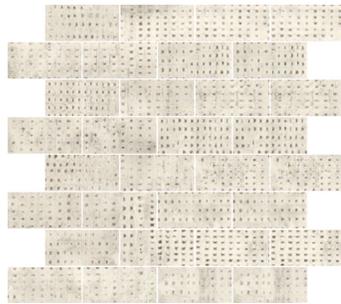

(NSHEYE/1313H)

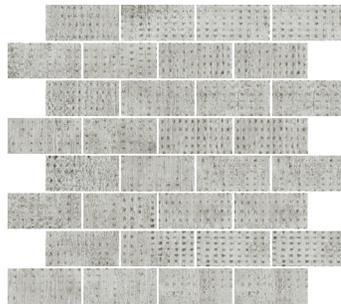

1½ x 3¾ Hole Modulo

(NSHESD/HM)

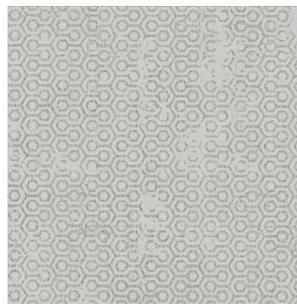

(NSHENB/HM)

(NSHEYE/HM)

13 x 13 Synergy (Available in Yosemite only)

(NSHEYE/1313S)

Synergy : The 4 designs of the 13x13 Synergy are sold randomly so orders may include duplicates of some patterns and omission of others. Care should be taken during installation to ensure the desired mix of patterns.

Coordinating Trim

Expect variation in color and size between field and trims.

½ x 13 Miter Bullnose (NSHE--/MBN)

Usage

Handmade is intended for interior walls.

Installation Information

If installing with a cement-based adhesive, we recommend using a flexible setting material. All substrates should be properly reinforced to be sure there is no movement. Wood studs need to be dry and properly braced with a minimum depth of 3". For mortar installations, the mortar bed has to be cured (less than 2% humidity) and has to have proper reinforcing. Because of the rough, surface texture, it may be helpful to use a grout release, and should be noted that some grout may remain in the surface indentations. Note about the Hole: While grouting, immediately clean the excess grout off the surface with a sponge and water. To attain the proper mix of graphics and color it is important to mix tile within each carton and blend tile from several cartons.
